

Office of the Fire Commissioner

Inspection and Technical Services Manitoba

Recognized Certification and Inspection Bodies for Gas-fired Appliances and Equipment

Date Issued: January 7, 2019
OFC ITSM 19 - 001

The Province of Manitoba recognizes a number of Certification Bodies (CBs) and Inspection Bodies (IBs) to provide certification, field approval, and special acceptance services for gas-fired appliances and equipment in accordance with *The Gas and Oil Burner Act* and Regulation.

Certification Bodies

The following companies are accredited by the Standards Council of Canada (SCC) and recognized to provide certification services for gas-fired appliances and equipment in Manitoba:

Underwriters Laboratories of Canada

Canadian Standards Association/ CSA Group

Intertek Testing Services NA Inc.

OMNI – Test Laboratories, Inc.

IAPMO Ventures, LLC. Dba IAPMO EGS

LabTest Certification Inc.

Note: Limited Gas product testing

PFS Corporation

Note: Applicable to central heating equipment, ranges/oven and gas heaters.

ICC Evaluation Service, LLC

QAI Laboratories

TÜV SÜD America Inc.

Approved Field Approval Agencies

The following companies are recognized to provide field approval services for gas-fired appliances and equipment in Manitoba:

An SCC accredited inspection body (IB) for gas-fired appliances can apply approval Label and marking and equipment where a NRS does not exist.

Note: A field approval is void if the appliance is altered or relocated.

For contact, information and scope of IB accreditation see [SCC directory of accredited Inspection Bodies](#)
